Intern opportunities exist in policy areas such as: natural resources, education, social/welfare

services, criminal justice, business and industry, state finance and budgeting, press/public relations and communications, etc. Do you have any preferences, and why?

Internships are available during the fall, spring and summer time periods. Please indicate the time period for which you would be interested.

Internships may involve a small stipend, and/or academic credit (the latter as determined by the intern's school). Do you plan to receive academic credit for this internship? Do you wish to receive a stipend if one is available?

Please attach:

- 1) A brief essay explaining your reasons for desiring to intern in the Office of the Governor;
- 2) A current resume; and
- 3) A written recommendation from a faculty member or a teacher who is familiar with your qualifications.
